Information

## About Us

PIQC Institute of Quality was established in 1991 by a group of Quality professionals dedicated to the field of Quality. Over the past three decades, the Institute has earned the national and international credibility and is considered Pakistan's leading and most authentic institute for professional development in the field of Quality.

## Why train with PIQC?

PIQC has provided corporate advisory, training, and consultancy services to more than 500 companies and trained more than 50,000 personnel in Pakistan and abroad in the areas ranging from Quality Control to Quality Assurance, Total Quality Management, Lean Six Sigma, Lean Manufacturing, Total Productive Maintenance, HSE, HR Management, Project Management, Labor Laws, and Healthcare Quality to mention few.

## Accelerated Learning Path

Learners participate in activity-based learning so that they are better able to recall, utilize, and critically evaluate what they are learning and have the opportunity to share their experiential learning with peers from other organizations.

## Subject Matter Experts

PIQC has its own pool of well experienced and internationally renowned Subject Matter Experts (SMEs), Consultants, and Associate Faculty drawn from Pakistan's leading organizations and academic institutes.

## Certificate of Participation

On successful course completion, learner will receive a reputable certificate of participation from PIQC Institute of Quality that has its recognition to prove professional development.

## Types of Training Offered

### Classroom Based

Our public training courses take place in a safe, quiet, clean environment, away from the distraction and pressures of the employee's work area creating an opportunity to interact and network with people from other organizations.

### Live Virtual

An interactive, instructor-led class experience in real-time via digital media, allowing attendees to interact without traveling.

### In-House

We work with you to develop custom instructor-led training course held at your premises and is open only to your employees, offering convenience and cost-savings where we bring our expert instructors to your organization.

**Our courses are designed to help you advance your career, improve your organization, and prepare you to be a more accomplished and effective quality-focused professional.**
