Quality Movement in Pakistan

PROFESSIONAL DIPLOMA QUALITY MANAGEMENT IN EDUCATION

Four months weekend based live and instructor led online course
Two evening per week classes from 6:30 - 9:30 pm

This Professional Diploma is beneficial for personnel working in Quality Enhancement Cells (QECs), faculty engaged as Quality Coordinators and Quality Circle Heads in universities, registrars, interested faculty members, institutional directors of public & private universities and Colleges, management staff and research associates and individuals who wish to excel their career in the field of educational Quality Management.

PROFESSIONAL DIPLOMA

QUALITY MANAGEMENT IN EDUCATION

Introduction

The Professional Diploma in Quality Management in Education is designed to provide comprehensive knowledge and practical skills to academicians and management staff to enhance the quality of educational institutions, particularly in higher education. This program covers key aspects of teaching and learning taxonomies, academic quality assurance (QA), accreditation models, and continuous quality improvement (CQI), preparing participants to lead quality improvement initiatives in educational institutions, especially the higher education institutions.

Course Objectives

- Introduce fundamental concepts and principles of educational quality management, covering tools of Academic Quality Assurance (QA), Continuous Quality Improvement (CQI) and Lean Management.
- Provide practical and experiential knowledge on internal quality assurance practices and accreditation processes using frameworks such as ISO 21001 EOMS, Washington Accord, Outcome-Based Education (OBE), and HEC's Self-Assessment Models.
- Prepare participants to lead quality initiatives and drive institutional excellence with Quality Management Models and Frameworks.
- Provide insights on using academic and analyzing academic data and using Artificial Intelligence (AI) to manage academic performance of students and faculty.

Learning Outcomes

By completing this program, participants will gain the abilities to:

1. Apply fundamental principles, practices, and frameworks of educational quality management in their institutions.
2. Lead continuous quality improvement (CQI) programs using practical and popular tools of quality and lean management.
3. Appraise academic quality standards for accreditation, such as ISO 21001, Washington Accord, and HEC's Self-Assessment.
4. Understand fundamentals of educational learning taxonomies and assessment methodologies.
5. Develop key performance indicators (KPIs) and analyze them using statistical tools and dashboards.

Target Audience

- Personnel leading or managing Quality Enhancement Cells (QECs) of colleges and universities.
- Faculty involved in colleges and universities as Quality Circle Heads or Quality Coordinators in different departments.
- Support departments personnel, e.g. registrar's office and HR departments.
- Faculty members interested in improving their quality management perspectives.
- Policymakers and educational consultants.

Course Exam and Project

Every participant will be guided for implementing selected Quality Management Tool in his/her institution. Diploma will be awarded on the completion of the project and passing the final exam.

Course Instructors

The course is delivered by highly qualified experienced university academicians and HODs and experienced professionals with extensive expertise in educational leadership and quality management, ensuring a comprehensive and enriched learning experience.

PROFESSIONAL DIPLOMA

QUALITY MANAGEMENT IN EDUCATION

Leading the Modern
Quality Movement in Pakistan
